HELP FUND THE FIGHT
Together we will find a cure

Brain tumours kill more children and adults under the age of 40 than any other cancer

Just 1% of the national spend on cancer research has been allocated to this devastating disease

16,000 people diagnosed with a brain tumour every year

Less than 20% of those diagnosed with a brain tumour survive beyond five years

Up to 40% of all cancers spread to the brain

Challenging the Government and larger cancer charities to invest more in brain tumour research

Less than 20% of those diagnosed with a brain tumour survive beyond five years

National brain tumour research funding needs to increase to £30-35 million a year
